Please perform sequence search and interference search for Serial No. 09/903,770

1. Please search SEQ ID No.: 1 against nucleic acid commercial and interference databases including pending and issued.
2. Please search SEQ ID No.: 2 against nucleic acid commercial and interference databases including pending and issued.

**Please save on COMPUTER DISKETTES.**

**Please save results from interference data base search on different diskettes from the commercial and issued search results.**

Thank you very much.
